Close combat weapon	Melee	3	3+	3	0	1

ABILITIES

Swift Demise

Each time a model in this unit makes a ranged attack, re-roll a Hit roll of 1. If the target of that attack is the closest eligible target, you can re-roll the Hit roll instead.

WEAPON RULES

Assault

Units containing one or more models with an **[ASSAULT]** weapon can shoot using **assault** shooting (10.05).

Lethal Hits

Each time an attack made with a **[LETHAL HITS]** weapon results in a critical hit, you can choose for that attack to automatically wound the target.

Designer's Note: Choosing to automatically wound the target means that no wound roll is made for that attack. You may decide against this, as it means that attack cannot result in a critical wound and so cannot trigger other abilities such as [DEVASTATING WOUNDS].

Sustained Hits

This ability always takes the form **[SUSTAINED HITS X]**. Each time an attack made with a **[SUSTAINED HITS]** weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

Example: An attack made with a [SUSTAINED HITS 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [SUSTAINED HITS 2] ability).

Twin-linked

Each time an attack is made with a **[TWIN-LINKED]** weapon, you can re-roll the wound roll.
