WEAPON	RANGE	A	WS	S	AP	D
Close combat weapon	Melee	4	3+	4	0	1

ABILITIES

CORE - Leader

RULES - Leader, Nurgle's Gift (Aura)

Malicious Calculations

While this model is leading a unit, each time a model in that unit makes an attack, you can ignore any or all modifiers to that attack's Ballistic Skill or Weapon Skill characteristics and/or any or all modifiers to the Hit roll.

Seven-fold Chant

In your Command phase, if this model is on the battlefield, roll 2D6: on a 7+, you gain 1CP.

Leader

This model can be attached to the following unit: Plague Marines

You can attach this model to a Plague Marines unit, even if one other Leader unit has already been attached to it (you cannot attach more than one of the same Leader to the same unit). If you do, and that Bodyguard unit is destroyed, the Leader units attached to it become separate units, with their original Starting Strengths.

WEAPON RULES

Hazardous

Each time a unit is selected to shoot or selected to fight, after that unit has resolved all of its attacks, make a number of hazard rolls (06.03) for that unit equal to the number of [HAZARDOUS] weapons you selected in the Select Weapons step.

Pistol

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.
