## ABILITIES

**RULES** - Blessings of Khorne, Deadly Demise D3, Deep Strike

### Bloodied Terror

At the start of the Fight phase, each enemy unit within Engagement Range of this model must take a Battle-shock test, subtracting 1 if that enemy unit is Below Half-strength.

### Swooping Predator

Each time this model ends a Normal or Advance move, you can select one enemy unit that it moved over during that move and roll 6 D6: for each 4+, that enemy unit suffers 1 mortal wound.

## WEAPON RULES

### Rapid Fire

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*
