Huge knife	Melee	6	3+	8	-1	2
Ripper gun	Melee	4	3+	6	-1	1

ABILITIES

RULES - Feel No Pain 6+

Brute Shield

The bearer has a 4+ invulnerable save.

Loyal Protector

At the start of the Declare Battle Formations step, this model must join one Command Squad unit from your army (a Command Squad cannot have more than one Loyal Protector model joined to it). This model then counts as part of that Command Squad for the rest of the battle, and its Starting Strength is increased accordingly. If it is not possible to join this model to a Command Squad, it does not take part in the battle and counts as having been destroyed.

While this model is joined to a unit, it can embark within any Transport that unit can embark within, and takes up the space of 3 models.

This model cannot be selected as your WARLORD and cannot be given Enhancements

Ogryn Bodyguard

While one or more Officer models are in the same unit as this model, those Officer models have the Feel No Pain 4+ ability

Slabshield

The bearer has a Wounds characteristic of 7.

WEAPON RULES

Blast

Each time you gather attack dice for a **[BLAST]** weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form **[BLAST X]**, each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

*Example: If a **[BLAST 2]** weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).*

Rapid Fire

This ability always takes the form [RAPID FIRE X]. Each time you gather attack dice for a [RAPID FIRE] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

Example: If a [RAPID FIRE 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).
