ABILITIES

RULES - Deep Strike

Attached Unit

If a Character unit from your army with the Leader ability can be attached to a Terminator Squad, it can be attached to this unit instead.

Deathwing

Each time a model in this unit makes an attack, you can ignore any or all modifiers to that attack's Ballistic Skill or Weapon Skill characteristics and/or to the Hit roll.

In addition, each time a model in this unit makes an attack that targets your Oath of Moment target (see Codex: Space Marines), add 1 to the Hit roll.

Chainfist ANTI-VEHICLE 3+	Melee	3	4+	8	-2	2
Chainfist ANTI-VEHICLE 3+	Melee	3	4+	8	-2	2
Power Fist	Melee	3	3+	8	-2	2
Power Fist	Melee	3	3+	8	-2	2
Power Weapon	Melee	4	3+	5	-2	1

Teleport Homer

At the start of the battle, you can set up one Teleport Homer token for this unit anywhere on the battlefield that is not in your opponent's deployment zone. If you do, once per battle, you can target this unit with the Rapid Ingress Stratagem for OCP, but when resolving that Stratagem, you must set this unit up within 3" horizontally of that token and not within 8" horizontally of any enemy models. That token is then removed.

Watcher in the Dark

Once per battle, in any phase, just after a mortal wound is allocated to an Adeptus Astartes model in this unit, this unit can summon a Watcher in the Dark. When it does, until the end of the phase, models in this unit have the Feel No Pain 4+ ability against mortal wounds.

WEAPON RULES

Anti

This ability always takes the form [**ANTI**-X Y+]. Each time an attack is made with an [**ANTI**] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

*Example: An attack made with an [**ANTI-VEHICLE** 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [**ANTI-PSYKER** 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.*
