ABILITIES

CORE - Leader

Face of Death

In your Shooting phase, after this model has shot, select one enemy unit hit by one or more of those attacks. That enemy unit must take a Battle-shock test, subtracting 1 from the result.

Harvester of Souls

While this model is leading a unit, in your Shooting phase, after selecting targets for that unit's attacks, if every attack targets the same unit, roll one D6 for the target unit and one D6 for every other enemy unit within 3" of the target unit. On a 5+, the unit being rolled for is struck by explosive debris; after resolving all of that unit's attacks against the target unit, each unit struck by explosive debris suffers D3 mortal wounds.

Leader

This model can be attached to the following unit:

- Dark Reapers

WEAPON RULES

DEVASTATING WOUNDS

Each time an attack made with a **[DEVASTATING WOUNDS]** weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by **[DEVASTATING WOUNDS]** weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a **[DEVASTATING WOUNDS]** weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

IGNORES COVER

Each time an attack is made with an **[IGNORES COVER]** weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

CORE RULES

◆ Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
