AUFSTELLUNG

1x Chaos Cerastus Knight Acheron
Equipped with: Acheron flame cannon, Twin heavy bolter, ➤ Reaper chainfist - strike, ➤ Reaper chainfist - sweep

ABILITIES

***Invulnerable Save**
This model has a 5+ invulnerable save against ranged attacks.

Damaged: 1-10 wounds remaining
While this model has 1-10 wounds remaining, subtract 5 from this model's Objective Control characteristic and each time this model makes an attack, subtract 1 from the Hit roll.

Searing Flames

In your Shooting phase, after this model has shot, select one enemy unit hit by one or more of those attacks made with an Acheron flame cannon. Until the end of the phase, that enemy unit cannot have the Benefit of Cover.

Unrestrained Terror (Aura)

While a friendly War Dog model is within 6" of this model, it is affected by this ability. At the start of the Fight phase, each enemy unit within Engagement Range of one or more War Dog units affected by this ability must take a Battle-shock test.

WEAPON RULES

IGNORES COVER
Each time an attack is made with an **IGNORES COVER** weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

SUSTAINED HITS
This ability always takes the form **SUSTAINED HITS X**. Each time an attack made with a **SUSTAINED HITS** weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.
Example: An attack made with a SUSTAINED HITS 2 weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the SUSTAINED HITS 2 ability).

TORRENT
Each time an attack is made with a **TORRENT** weapon, that attack automatically hits the target.

TWIN-LINKED
Each time an attack is made with a **TWIN-LINKED** weapon, you can re-roll the wound roll.

CORE RULES

◆ Deadly Demise D6+2

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").

◆ Harbingers of Dread

If your Army Faction is Chaos Knights, each model from your army with this ability gains Dread abilities, depending which are active for your army. The Deathly Terror ability is active for your army from the start of the battle. In addition, at the start of the first, third and fifth battle rounds, you can either select one of the other Dread abilities or randomly select two Dread abilities to apply by rolling two D6 and applying the results rolled, from those numbered 1-6 below.

Any Dread abilities that have been selected are active until the end of the battle. You cannot select the same Dread ability more than once, and any duplicated Dread abilities (as a result of randomly selecting them) have no additional effect.

N/A - Deathly Terror (Aura)

While an enemy unit is within 9" of this model, worsen the Leadership characteristic of models in that unit by 1.

1 - Despair (Aura)

While an enemy unit is within 9" of this model, worsen the Leadership characteristic of models in that unit by 1. This is cumulative with the Deathly Terror ability (see above).

2 - Doom

Each time this model makes an attack, if the target is Battle-shocked, add 1 to the Wound roll.

3 - Darkness

This model has Stealth.

4 - Dismay (Aura)

In the Battle-shock step of your opponent's Command phase, for each enemy unit that is below its Starting Strength and within 9" of this model, that enemy unit must take a Battle-shock test.

5 - Delirium (Aura)

While an enemy unit that is Below Half-strength is within 9" of this model, each time that model fails a Battle-shock test, it suffers D3 mortal wounds.

6 - Dominion

Add 3" to the range of this model's Aura abilities.

◆ Super-Heavy Walker

Each time a unit with this ability makes a normal, advance or fall-back move:

- Models in that unit can move through models (including MONSTER/VEHICLE models, but excluding TITANIC models) and can move horizontally through sections of terrain features that are 4" or less in height.

- Before moving that unit, you can select for all models in that unit to have the MOBILE keyword until that move ends. If you do, when that move ends, roll one D6: on a 1, that unit is battle-shocked.

Designer's Note: Gaining the MOBILE keyword for the duration of a move will enable models in that unit to move horizontally through dense terrain features (13.06).
