AUFSTELLUNG

1x Obsessionist - Equipped with: Bolt pistol, ► Plasma pistol - standard, ► Plasma pistol - supercharge, Rapture lash, Power sword
4-9x Infractor

Wargear Options:

- Each Obsessionist can replace its Bolt pistol with Plasma pistol.
- Each Obsessionist can replace its Power sword with Rapture lash.

ABILITIES

Excessive Assault

Each time a model in this unit targets an enemy unit with a melee attack, re-roll a Wound roll of 1. If that enemy unit is within range of an objective marker, you can re-roll the Wound roll instead.

Icon of Excess

At the end of your Shooting phase or the Fight phase, if the bearer's unit destroyed one or more enemy units this phase, the bearer's unit takes a Leadership test. If that test is passed, you gain 1CP.

WEAPON RULES

HAZARDOUS

Each time a unit is selected to shoot or selected to fight, after that unit has resolved all of its attacks, make a number of hazard rolls (06.03) for that unit equal to the number of [HAZARDOUS] weapons you selected in the Select Weapons step.

PISTOL

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.

PRECISION

While resolving attacks made with one or more [PRECISION] weapons, at the start of the Allocation Order step (05.03), if the target unit contains one or more CHARACTER models visible to one or more of the attacking models, the active player can select one allocation group that contains one of those visible CHARACTER models. If they do, until those attacks are resolved, or until that CHARACTER group is destroyed (whichever happens first), that CHARACTER group is the current allocation group.

CORE RULES

◆ Scouts 6"

This ability always takes the form Scouts X". In the Resolve Pre-battle Abilities step, if every model in a unit has this ability, you can do one of the following:

- If that unit is in strategic reserves, you can set up that unit anywhere that is wholly within your deployment zone.
- If that unit is wholly within your deployment zone, it can make a scout move.
- If that unit is embarked within a DEDICATED TRANSPORT that is wholly within your deployment zone, and if every model embarked within that DEDICATED TRANSPORT has the Scouts ability, that DEDICATED TRANSPORT can make a scout move.

◆ Thrill Seekers

If your Army Faction is Emperor's Children, this unit is eligible to shoot and declare a charge in a turn in which it Advanced or Fell Back, but when doing so:

- It cannot target a unit it was within Engagement Range of at the start of the turn
- It cannot target a unit that was the target of another unit's charge or attack this phase.
