1x Hospitaller

Equipped with: Bolt pistol, Chirurgeon's tools

ABILITIES

CORE - Support

Medicus Ministerium

While this model is leading a unit, models in that unit have the Feel No Pain 5+ ability.

Sacred Healing

While this model is leading a unit, in your Command phase, you can return up to 1 destroyed model (excluding Character models) to that unit. If you wish, you first discard 1 Miracle dice; if you do, you can return up to D3+1 destroyed models (excluding Character models) to that unit instead.

Leader

This model can be attached to the following units:

- Battle Sisters Squad
- Celestian Sacresants
- Dominion Squad
- Retributor Squad
- Sisters Novitiate Squad

This model can be attached to a Battle Sisters Squad, even if one Canoness, Palatine, Junith Eruita, or Aestred Thurga unit has already been attached to it. If you do, and that Bodyguard unit is destroyed, the Leader units attached to it become separate units, with their original Starting Strengths.

WEAPON RULES

PISTOL

[PISTOL] and **[CLOSE-QUARTERS]** are identical for all rules purposes.

Units containing one or more models with a **[CLOSE-QUARTERS]** weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its **[CLOSE-QUARTERS]** weapons.
- One or more of its other ranged weapons.

CORE RULES

◆ Acts of Faith

If your Army Faction is Adepta Sororitas, each unit from your army with this ability can perform one Act of Faith per phase. This is done using Miracle dice.

GAINING MIRACLE DICE

If your Army Faction is Adepta Sororitas, you gain 1 Miracle dice:

- At the start of each battle round.
- Each time an Adepta Sororitas unit from your army is destroyed.

Each time you gain a Miracle dice, roll one D6. The number you roll is the value of that Miracle dice. This value cannot be changed or re-rolled, unless a rule specifically states otherwise. Keep your Miracle dice to one side – this is your Miracle dice pool.

PERFORMING AN ACT OF FAITH

Before making a dice roll for a model or unit from your army with the Acts of Faith ability, if you have one or more dice in your Miracle dice pool, that unit can perform an Act of Faith. If it does, select one of the dice from your Miracle dice pool to substitute that dice roll (if a roll involves more than one dice, e.g. a Charge roll or Battle-shock test, only a single dice can be substituted). The dice that is being substituted is not rolled; instead the value of the selected Miracle dice is used as if it had been rolled (this counts as an unmodified dice roll of that value for all rules purposes). Each Miracle dice can only be selected for substitution once. Once all Miracle dice substitutions have been made, remove the chosen Miracle dice from your Miracle dice pool, and roll all remaining, unsubstituted dice that are a part of the dice roll. You can use Miracle dice when a unit performs an Act of Faith for any of the following types of dice roll:

- Advance roll
- Battle-shock test
- Charge roll
- Damage roll
- Hit roll
- Saving throw
- Wound roll

◆ Support

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it.

Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
