AUFSTELLUNG

1x Centaur Light Carrier [Legends]

Equipped with: Heavy stubber, Hunter-killer missile, Armoured tracks

Wargear Options:

- This model can be equipped with 1x Hunter-killer missile.

ABILITIES

Blistering Advance

Units can disembark from this Transport after it has Advanced. Units that do so count as having made a Normal move that phase, and cannot declare a charge in the same turn, but can otherwise act normally in the remainder of the turn

Transport (Transport)

Capacity: This model has a transport capacity of 6 Astra Militarum Infantry models. Each Heavy Weapons Team model and Veteran Heavy Weapons Team model takes up the space of 2 models. It cannot transport Ogryn or Artillery models.

WEAPON RULES

ONE SHOT

Each weapon with this ability can only be selected to make attacks with once per battle. If a destroyed model is returned to a unit, all of its **ONE SHOT** weapons that have already been selected to make attacks with during the battle cannot be selected to make attacks with again.

If a new unit is added to an army, all **ONE SHOT** weapons in that unit can be selected to make attacks with once per battle.

RAPID FIRE

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*

CORE RULES

Deadly Demise 1

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").
