AUFSTELLUNG

1x Centaur RSV

Equipped with: Pintle-mounted heavy stubber, Armoured hull

ABILITIES

Rapid Strike Vehicle

While one or more units are embarked within this model, unless this model is Battle-shocked, add 1 to this model's Objective Control characteristic for every 3 models (rounding down) embarked within it.

Transport (Transport)

Capacity: This model has a transport capacity of 12 Astra Militarum Infantry models. Each Ogryn model takes up the space of 3 models. It cannot transport Artillery models.

WEAPON RULES

RAPID FIRE

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).

CORE RULES

Deadly Demise D3

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").

Firing Deck 12

This ability always takes the form Firing Deck X. In your Shooting phase, each time this TRANSPORT is selected to shoot, if one or more units are embarked within it, resolve the following sequence:

1. Select up to X models embarked within this TRANSPORT (excluding models whose units have already been selected to shoot this phase).
2. For each selected model, select one of its ranged weapons (excluding **[ONE SHOT]** weapons).
3. Until this TRANSPORT has resolved all of its attacks, it has all of those selected weapons in addition to its other weapons.
4. Until the end of the turn, units embarked within this TRANSPORT are not eligible to shoot.
