Equipped with: Lasgun, Lasipistol, Goad lance, Power sabre, Steed's hooves, ► Hunting lance - frag tip, ► Hunting lance - melta tip

Wargear Options:

- Each Rough Rider Sergeant can replace its Hunting lance with Goad lance.

ABILITIES

Horsemasters

This unit is eligible to shoot and declare a charge in a turn in which it Fell Back.

WEAPON RULES

EXTRA ATTACKS

Each time a unit containing one or more models with an **[EXTRA ATTACKS]** weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

- All of that model's **[EXTRA ATTACKS]** weapons.
- One of that model's other melee weapons, if possible.

LANCE

Each time an attack is made with a **[LANCE]** weapon, if the attacking model's unit made a charge move this turn, add 1 to the wound roll.

PISTOL

[PISTOL] and **[CLOSE-QUARTERS]** are identical for all rules purposes.

Units containing one or more models with a **[CLOSE-QUARTERS]** weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its **[CLOSE-QUARTERS]** weapons.
- One or more of its other ranged weapons.

RAPID FIRE

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*
