

SANCTIC SPEARHEAD

ENHANCEMENTS

Sigil of Exigence

30 pts

Grey Knights model only. Once per battle, in your opponent's Shooting phase, when the bearer's unit is selected as the target of a ranged attack, you can remove the bearer's unit from the battlefield and then set it back up again anywhere on the battlefield that is more than 8" horizontally away from all enemy units. If the bearer's unit is no longer an eligible target, your opponent can then select new targets for any attacks that had targeted the bearer's unit.

Driven by Duty

10 pts

Grey Knights Walker model only. Each time the bearer's unit Piles In or Consolidates, the bearer can move up to 6" instead of 3".

Quickening Foci

15 pts

Grey Knights Infantry model only. In your Movement phase, each time the bearer's unit disembarks from a Transport, until the end of the turn, you can re-roll Charge rolls made for that unit.

Spiritus Machina

25 pts

Grey Knights Infantry model only. In your Shooting phase, each time the bearer's unit is selected to shoot, if the bearer's unit disembarked from a Transport this turn, until the end of the phase, each time a model in the bearer's unit makes an attack, you can re-roll the Wound roll.

DETACHMENT-REGEL

Each time a Grey Knights Vehicle unit from your army Advances, do not make an Advance roll for it; until the end of the phase, add 6" to the Move characteristic of models in that unit and, until the end of the turn, ranged weapons equipped by models in that unit have the [Assault] ability.
