## DETACHMENT-REGEL

At the start of the first battle round, select one of the Contracts from below, then select one unit from your opponent's army that matches the 'Contract' description in the Contract. Until that Contract is completed, that unit is your Contract unit and Kabal and Blades For Hire units from your army have the ability stated in that Contract. At the start of your Command phase, if your Contract unit is destroyed, that Contract is completed and you gain 3 Pain tokens.

Ability: Each time a Kabal or Blades for Hire model in this unit makes an attack that targets the Contract unit, that attack has the [Precision] ability.

### Sow Fear and Terror

### Show of Strength
